Clearwater	1987	Central	1996	Central	2005		
Clearwater	1988	Clearwater	1997	Central	2006		

**Tournament Organization**

8 teams are participating in this year's tournament. The tournament will be using a pool play format. The top 2 teams from each pool will advance to the tournament's semi-final matches. Pool play matches will consist of 2 sets to 25 points. The score of each pool play set will start at 6-6, which is a 19 point set. Each pool play set will have a 25 point cap. If a tie occurs between two schools after pool play, advancements will be determined by MSHSAA guidelines. The following guidelines are stated in the MSHSAA Volleyball Manual: 1) If a tie should occur during a round-robin event, the tie shall be broken by previous head to head competition during the event. 2) If a tie still exists, point differential will be used to determine the team's position. 3) If a tie still exists, a 15 point rally scoring set will be played to determine positions.

**Pool A**

Bunker  
Clearwater  
Greenville  
South Iron

**Pool B**

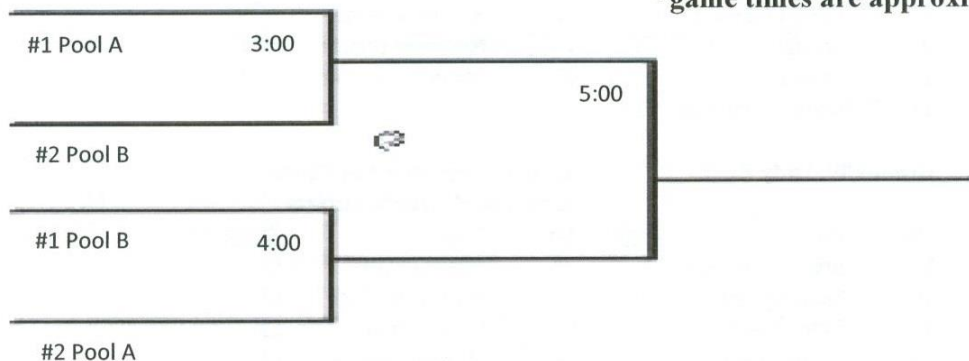

Doniphan  
Ellington  
Kingston  
West County
