Clearwater R-1 Summer School 2015 Enrollment Form and Information

Clearwater R-1 Summer School 2015

Clearwater R-1 School is offering a summer school program packed full of fun, engaging classes for students entering Kindergarten through 9th grade in the 2015-2016 school year. Teachers will present reading, math, writing, science, and social studies through a variety of hands-on activities. The summer session will be held from June 1-26 on the elementary campus.

Breakfast/Lunch: All students will be offered free breakfast and lunch daily. Breakfast will be served starting at 7:30.

Transportation: Abbreviated bus routes have been developed for the summer session (see attachment). Parents, regardless where they live, may drop off and supervise their child until the bus arrives at any of the stops noted on the attached bus schedule or they may drop off/pick up at the school.

Incentives: Student attendance will be encouraged through the offering of incentives. Incentives will be awarded as follows:

- Perfect attendance (no minutes and/or hours missed) - \$100
- Absent no more than 1 day (6.5 hours total) - \$75
- Absent no more than 2 days (13 hours total) - \$50

Mandatory Attendance: Students required to attend summer school due to poor attendance and/or failing grades must meet the following requirements in order to receive credit for summer school courses:

- Satisfactorily complete all work
- Miss no more than two days throughout the summer session

Students that are required to attend summer school are not eligible for attendance incentives.

Eligibility: Students entering Kindergarten through 9th grade in the 2015-2016 school year are eligible to attend. Residency restrictions do not apply to the summer school program; however, transportation is the responsibility of the parent.

Field Trips/End of Summer School Trip: A field trip will be planned for the last day of summer school for students entering 4th-9th grade. Younger students will remain on campus and participate in various fun-filled activities. 4th-9th grade students that do not have 100% attendance may be asked to pay a portion of their admission fee for the event chosen as the end of summer school trip. (Details will be provided as soon as plans have been confirmed.)

Enrollment: If you are interested in having your child attend summer school, complete the attached enrollment form and return it to either the elementary or middle school office. Please return the completed form as soon as possible. Class offerings are dependent upon student enrollment/attendance. Names of students that turn in completed forms to either office by 3:00 on May 18, 2015, will be entered into a prize drawing. Two names will be drawn for two \$25 Wal-Mart gift cards on June 5, 2015. Winners must be present to win.

Please fill out the entire front page and return to the school.

Clearwater R-1 Summer School 2015 Enrollment Form and Information

ABCs—Learning the Alphabet One Day at a Time

Teacher: Mrs. Connie Radford

Grade: Incoming Kindergarten

We will be learning a new letter each day. Each day will be filled with activities centered on our letter of the day, including letter sounds and sight words. There will be lots of activities each day, even a snack to go with each letter. Join us for a lot of fun as we learn the alphabet one day at a time.

123s—Learning Numbers One Day at a Time

Teacher: Mrs. Veronica Wheelehon

Grade: Incoming Kindergarten

Our days will be filled with fun activities as we learn a number a day. We will learn to write and count our numbers, and work with a variety of manipulatives to see what each number really means. Join us as we build our math brains.

Under the Sea

Teachers: Mrs. Nicki Green and Mrs. Caitlin Batton

Grades: 1st-2nd

Come on an ocean adventure with us! Create fun crafts and tasty treats. Sail away with us through stories about mermaids, pirates, and ocean animals. Celebrate learning with a beach party. Can't wait to see you there!

R and R Retreat--Lights, Camera, Action!

Teacher: Ms. Charity Robinson

Grades: 2nd-3rd

The stage is set. Get ready to transform into your favorite character. Too shy to be on stage? No worries! We have positions for directors, stage managers, make-up artists, hairdressers, set artists, and much much more. Sign up today to become the STAR of Tomorrow.

R and R Retreat--Lights, Camera, Action!

Teacher: Mrs. Sheri Rainwater

Grades: 3rd-4th

The stage is set. Get ready to transform into your favorite character. Too shy to be on stage? No worries! We have positions for directors, stage managers, make-up artists, hairdressers, set artists, and much much more. Sign up today to become the STAR of Tomorrow.

Go Wild!

Teachers: Mrs. Cathy Shearrer and Ms. Lora Yant

Grades: 4th -6th

Ever hear a noise while sitting around the campfire and wonder what kind of animal you heard. Or see a plant and wonder what it is? In this class, we'll be reading "Where the Red Fern Grows" and learning about Missouri's plants and animals. Let's make some crafts and eat some delicious camping snacks. Come explore the joys of living in Missouri. Are you ready to take a walk on the wild side?

Please fill out the entire front page and return to the school.

Hip Hop Action of Bugs/ Insects!!!!

Teacher: Mrs. KayYates

Grades: 4th-6th

Mrs. Yates invites you to come join the fun as we explore the Hip Hop action of insects. Learn how spiders spin a web and then create your own web. We will investigate insects that fly and create our own balancing butterfly. We will look for the little critters that slip, slide, slither and crawl. We will watch Mrs. Frizzle take the *Magic School Bus* through a variety of adventures. We will watch some “bug movies” that will include *A Bug’s Life* and *Ant Bully*. We will compare and contrast the actions taken by the characters in the movies to the actions taken by bugs in our backyards and playgrounds. Come be Junior PI's (Pest Investigators). Discover why insects are not always a bad thing.

A Camping We Will Go

Teacher: Ms. Reba Lester

Grades: 4th-6th

Join me for some camping fun! We will be learning all kinds of camping essentials. Things like how to set up a camp site, setting up a tent, making a camp fire, basic first aid and what to do if you become lost. This class is for all you nature lovers. Come join me around the campfire and we’ll swap campfire stories and learn some great foods that make camping great fun.

Math Counts

Teachers: Mrs. Peggy Roach

Grades: 7th-9th

Welcome to the 2015 Math Counts! Join us as we explore how math is used in our everyday lives. We will apply a variety of concepts as we try to answer two important question: “Why do we really need to know how to do this?” and “When will I ever use algebra in the real world?” Our days will be filled with engaging activities that will help us improve our skills in measurement and economics, while discovering answers to our questions. Activities will include the use of math manipulatives, playing math games, exploring computer math programs, cooking kid-friendly recipes, and most important of all, having fun! Math really does matter in life and especially at Clearwater Summer School 2015!

Rock-it Science

Teacher: Mrs. Jennifer Grimes

Grades: 6th-9th

Lots of hands-on physical science experiments at the wacky Rock-it Science Laboratory. We will build Rube Goldberg Machines, Egg Drop apparatuses, and make home-made ice cream!
