

Clearwater Invitational Tournament
September 19, 2015

Below is a list of the pools and the schedule for the day. I took into consideration each team's records, head-to-head match-ups, and strength of schedule. The teams that did not return their seed sheet, I took information off of your MSHSAA team page to assess the same items. It appeared I got an accurate read on all teams involved. I tried to fairly and evenly distribute the teams into each pool. If you have any questions, please email me as soon as possible.

Pool A
Doniphan
Kingston
Clearwater
Ellington

Pool B
West County
Greenville
Bunker
South Iron

Pool Play Schedule

9:00 AM	Clearwater vs. Ellington	9:30 AM	Greenville vs. South Iron
10:00 AM	Doniphan vs. Kingston	10:30 AM	West County vs. Bunker
11:00 AM	Doniphan vs. Ellington	11:30 AM	South Iron vs. West County
12:00 PM	Kingston vs. Clearwater	12:30 PM	Bunker vs. Greenville
1:00 PM	Ellington vs. Kingston	1:30 PM	South Iron vs. Bunker
2:00 PM	Clearwater vs. Doniphan	2:30 PM	Greenville vs. West County

***Semi-final matches to start at approximately 3:30 PM and 4:30 PM. Championship match will start at approximately 5:30 PM. There will be no third place match.**

The first pool play match of the day will have a normal MSHSAA warm-up period. After the first match, there will be 5 minutes between each pool play match. The warm-up will consist of 2 minutes for each team for hitting, one minute shared serving, and the one minute huddle to start the match. This is to insure that the matches stay as close to the time schedule as possible. Each team will have one time-out per game. Each time-out will be one minute long.

Teams may use the multi-purpose room for pre-game warm-up. The coin toss will occur in the warm-up area with the official on break and the two head coaches. The coin toss will occur approximately 10 minutes before the scheduled match.

The top two teams from each pool will advance into the tournament semi-final matches. Each match will be the best-of-three. The top team from Pool A will play the second place team from Pool B. The top team from Pool B will then play the second place from Pool A. The first semi-final match will start approximately 30 minutes after the conclusion of pool play. There will be a 15 break, then the official 18 warm-up. Semi-final matches along with the championship match will be played to regulation points with normal time-outs and warm-ups. There will be no point cap on semi-final and championship matches.
