Clearwater R-1 Summer School 2016 Enrollment Form and Information

Clearwater R-1 Summer School 2016

Clearwater R-1 School is offering a summer school program packed full of fun, engaging classes for students entering Kindergarten through 9th grade in the 2016-2017 school year. Teachers will present reading, math, writing, science, and social studies through a variety of hands-on activities. The summer session will be held from June 1-28 on the elementary campus.

Breakfast/Lunch: All students will be offered free breakfast and lunch daily. Breakfast will be served starting at 7:30.

Transportation: Abbreviated bus routes have been developed for the summer session (see attachment). Parents, regardless where they live, may drop off and supervise their child until the bus arrives at any of the stops noted on the attached bus schedule or they may drop off/pick up at the school.

Incentives: Student attendance will be encouraged through the offering of incentives. Incentives will be awarded as follows:

- Perfect attendance (no minutes and/or hours missed) - \$100
- Absent no more than 1 day (6.5 hours total) - \$75
- Absent no more than 2 days (13 hours total) - \$50

Mandatory Attendance: Students required to attend summer school due to poor attendance and/or failing grades must meet the following requirements in order to receive credit for summer school courses:

- Satisfactorily complete all work
- Miss no more than two days throughout the summer session

Students that are required to attend summer school are not eligible for attendance incentives.

Eligibility: Students entering Kindergarten through 9th grade in the 2016-2017 school year are eligible to attend. Residency restrictions do not apply to the summer school program; however, transportation is the responsibility of the parent.

Field Trips/End of Summer School Trip: A field trip will be planned for the last day of summer school for students entering 4th-9th grade. Younger students will remain on campus and participate in various fun-filled activities. 4th-9th grade students that do not have 100% attendance may be asked to pay a portion of their admission fee for the event chosen as the end of summer school trip. (Details will be provided as soon as plans have been confirmed.)

Enrollment: If you are interested in having your child attend summer school, complete the attached enrollment form and return it to either the elementary or middle school office. Please return the completed form as soon as possible. Class offerings are dependent upon student enrollment/attendance. Names of students that turn in completed forms to either office by noon on May 24, 2016, will be entered into a prize drawing. Two names will be drawn for two \$25 Wal-Mart gift cards on June 6, 2016. Winners must be present to win.

Please fill out the entire front page and return to school.

Clearwater R-I Summer School 2016 Enrollment Form and Information

Ocean Fun/Farm Yard Animals

Teachers: Mrs. Donna Amerlan and Mrs. Beth Cox

Grade: Incoming Kindergarten

ABCs and 123s. Explore creatures from the ocean to the farm! In this adventure students will practice letter recognition, letter sounds, number recognition, and counting. Hands-on activities will be utilized along with visual and auditory learning stations.

Sea of Adventure

Teachers: Mrs. Sheri Rainwater and Mrs. Nicki Green

Grade: 1st

We will explore the ocean together! Students will learn fun facts about jellyfish, seahorses, lobsters, crabs, dolphins, sharks, octopus, and more! Salt vs. fresh water investigation, will items sink or float? We will have lots of art projects, creating creatures and crafts. Students will get to make an ocean in a bottle. We will learn ocean songs & have movement activities! Enjoy some yummy snacks, even some edible octopus! Come join us for this under the sea ocean adventure.

Summer of Fun

Teacher: Mrs. Connie Radford

Grade: 1st

Fly to the moon and through the Solar System for the first two weeks and survive camping in the wilderness the last two weeks. We will be reviewing skills and learning new ones in Math, Reading, Science, and Social Studies while having fun making lots of crafts and much more! Come fly and survive with us for the summer!

Under the Sea

Teacher: Mrs. Erica Huitt

Grades: 1st-2nd

Come on an ocean adventure with us! Create fun crafts and tasty treats. Sail away with us through stories about mermaids, pirates, and ocean animals. Celebrate learning with a beach party. Can't wait to see you there!

Attention All Astronauts!

Teacher: Miss Charity Robinson

Grades: 2nd- 4th

Prepare for take-off. We will blast off into outer space to learn about our solar system. We will explore our planets and keep a daily journal of our findings. So get ready! We launch in 3, 2, 1!

Please fill out the entire front page and return to school.

Mad Scientists

Teacher: Mrs. Kay Yates

Grades: 3rd-5th

Experiments, Experiments, Experiments! We will discover how and why things work. Students will keep a journal of their findings. Be ready to measure, estimate, and investigate!

Fifty-Nifty United States

Teachers: Ms. Lora Yant and Mrs. Cathy Shearrer

Grades: 4th-6th

Join your classmates on an expedition to explore the 50 states. We will explore national parks, national monuments, and other points of interest in various states throughout our great nation. Students will gather information and make multi-media presentations to showcase his/her findings. Students will become familiar with the wildlife (plants and animals) in the different regions/states. If you have a sense of adventure, this virtual tour of the United States is perfect for you.

Breaking News!

Teacher: Mrs. Caitlin Batton

Grades: 5th -6th

Become a reporter, weather forecaster, or journalist. Students will research local news stories and present the information in a newscast format. Students will develop their own news channel! In addition, students will participate in a book study to explore the *Divergent* series.

Math Counts

Teacher: Mrs. Peggy Roach

Grades: 7th -9th

Welcome to the 2016 Math Counts! Join us as we explore how math is used in our everyday lives. We will apply a variety of concepts and try to answer two important questions...."Why do we really need to know how to do this?" and "Will I ever use algebra in the real world?" Our days will be filled with engaging activities that will help us improve our math skills, while discovering answers to our questions. Activities will include the use of the Math Renaissance computer program, math manipulatives, math games, exploring various careers and the math skills used, and most important of all—having fun! Math really does matter in life and especially at CMS Summer School 2016!

Greek Mythology

Teacher: Miss Lora Hanebrink

Grades: 7th -9th

Join us for a trip through time...and literature with Greek Mythology. Explore the ancient myths and see how they relate to the history, culture, and science of the ancient world. Read stories, write and perform plays, study history and delve into science experiments tied into the myths of ancient Greece and Rome.

Please fill out the entire front page and return to school.
