On Tuesday, March 15th, Central High School along with Ridge Events LLC will host a high energy Esports tournament between multiple High Schools. Tournament and Job Fair starts at Noon with doors open to the public at 3pm at the Fieldhouse. We expect the tournament to go until 6pm. Streaming will also be available. This is a FREE event!

During the day on the 15th, starting at 10am, there will be online sessions for Missouri School District Technology Departments, Principals, Superintendents, school district decision makers, Esports coaches and sponsors. Sessions are designed to show Esports in action, learn about the current technology hardware and software that brings Esports to life, and see what all the hype is about. ALSO during the day, Central High School students will get the chance to check out Esports as well as a technology job fair.
